Does this sound like a concert you might find interesting? If so, you would be right on the money and indeed could not go wrong attending this upcoming husband and wife duo who are now scheduled to play as part of the _____ Concert Association's 2019-2020 season.

The date is coming up on _____ (day/date) and will be held at the _____ Auditorium. _____ PM

_____ Concert Association as always looking to bring new and different artists to _____ (town) and in this case, a married couple from Seattle who have developed a wonderful vintage jazz and pops show. Sundae carries the program with her gorgeous vocals and charming and quirky humorous banter with the audience and her guitarist husband Mr. Goessl. The musicianship and overall performance skills are outstanding and lead the audience to a marvelous connection.

Not only is Sundae adorable on stage, her voice is equal parts Billie Holiday and Teresa Brewer. Light and silly when it needs to be and tinged with an old soul's wry wit that pulls these vintage themes away from forced innocence into something more pure. She's a charmer. She casts a spell on you.

But Sundae is not singing a cappella. None of this would be possible without Mr. Goessl's hot Parisian acoustic guitar played with deft uke strums from the Django Reinhardt School. Just when you think you have a handle on his style he switches it up and turns up the reverb and is off in another direction.

If you like hearing vintage tunes such as *CHEEK TO CHEEK, CARAVAN, AIN'T MISBEHAVIN, LA VIE EN ROSE, S'WONDERFUL, ONE NOTE SAMBA*, and many others.....be sure to put SUNDAE & MR. GOESSL on your calendar. Their touring schedule is jammed with venues large and small all across the country and this is your opportunity to be immersed and totally entertained with a new charming husband and wife duo.
