

Orchid Quartet

The _____ Concert Association is pleased to announce the next performance in their concert series will be Orchid Quartet, the powerhouse string quartet based in Los Angeles.

Orchid Quartet consists of four highly sought-after string players who perform and tour with top artists and who regularly record for major record labels, video games, and film/television soundtracks. Members of the quartet have toured with Ariana Grande, Adele, Panic! at the Disco, Hans Zimmer, and Game of Thrones Live featuring Ramin Djawadi.

From the stage to the studio, Orchid Quartet's energy, professionalism, and enthusiasm are contagious, and the love of the music they play emanates to those around them. Their performance starting at _____ PM at the _____ (venue) will include everything from lively classical music to pops.

For ticket and membership information with the _____ Concert Association please contact _____ (name) at _____ (phone).
