

Ella Mae Dixon - Blurb

Ella Mae Dixon is drawn to the music of a bygone era. She evokes the zest and passion of concert legends. Her backbone is the Great American Songbook, but her musical choices are not defined by genre— they are defined by her taste. Ella Mae's performances give new energy to old melodies while paying homage to the styles of yesterday.

Originally from Wellfleet, Massachusetts, in March of 2023, at just 19 years old, Ella Mae made her New York City headlining debut to a sold-out crowd at Birdland Jazz Club. Since then, she has headlined some of the most prestigious nightclubs in New York City. Ella Mae's natural knack for performing and virtuosic musical prowess have garnered praise from both New York critics and audiences alike.
