Oboe Fusion

Oboe Fusion blends oboes, vocals, and keyboard in a dynamic mix of musical styles, spontaneous performances, and a dash of humor. Renowned for their genre-defying approach and distinctive profile, the group presents original renditions of music by George Gershwin, Cole Porter, and Burt Bacharach, alongside nostalgic tributes to the '60s and '70s and beloved tunes from the Golden Age of Television. Their programs also feature timeless works by Bach and Beethoven. They have performed at prestigious venues such as Lincoln Center and Town Hall, as well as the original Catch a Rising Star Comedy Club in New York City.

Program Highlights
